Councilmember, Sixth District

# San Fernando Valley Clean LA Solar Workshop & Networking Event

*Presented by the Los Angeles Business Council,  
Los Angeles Department of Water and Power,  
and Los Angeles City Councilmember **Nury Martinez***

## Attention Solar Providers, Property Owners, Financial Institutions, and Workforce Professionals...

The 150 MW Clean LA Solar Feed in Tariff Program allows property owners to **earn revenue** and **increase property value** by generating energy through rooftop solar and selling it to the city's power grid. This workshop will provide details for building owners with:

- **Warehouses**
- **Small businesses**
- **Retail outlets**
- **Multi-family apartments**

Come learn how to **turn your roof into an asset** and help create a **greener LA**. Participate in the nation's largest rooftop solar program!

**Thursday, March 20, 2014**

**10:00 am - 12:00 pm**

**Marvin Braude Constituent Service Center**

**First Floor, Conference Room 1B**

**6262 Van Nuys Blvd., • Van Nuys, CA 91401**

*Refreshments will be provided*
